Dear Ehud

Many thanks for the meeting today as well as for all your devotion.

I am sure that you (as Chairman of the Advisory Board, with 6-8 members), Dadi (as CEO) and I (as Chairman) can build here in Israel, the next BIG thing based on this technology.

Here is the discussed file and one pager about.

Also, please find the PowerPoint, I shared with you. This is just an initial working file, and need to be updated on an application basis and based on your network.

Have a safe flight and let's meet upon your return.

Best Regards,
Oren Sadiv, Chairman & CEO
